THE MINISTER OF CONSUMER AFFAIRS FOOD AND PUBLIC DISTRIBUTION (SHRI SHARAD YADAV): (a) to (c) In the Comptroller and Auditor General of India's Report No. 4 of 2003 (PSUs), it was observed that 2.91 lakh MTs of paddy (out of the paddy procured during the years 1997-98 to 2000-01) remained unmilled, being of sub-standard quality.

In this connection, the Food Corporation of India have stated that most of the unmilled paddy relates to the Kharif Marketing Seasons 1997-98 and 1998-99 when there were untimely torrential rains in the major paddy procuring States, which adversely affected the milling quality of the paddy lying in the threshing yards, mandies and procurement centres.

The FCI have since initiated disciplinary proceedings in respect of the erring staff responsible for improper management of the paddy stocks.
